#### PUBLIC LIABILITY

Public liability insurance is crucial for driving instructors, providing protection against claims for injuries or property damage caused during instruction. It mitigates financial risks from accidents, reassures students of a safe learning environment, and enhances the instructor's professional credibility.

#### PROFESSIONAL INDEMNITY

Professional indemnity insurance is vital for driving instructors, covering claims of negligence, such as incorrect advice or failure to provide the promised service level. It protects against legal costs and damages, ensuring instructors can defend their professional integrity without facing financial ruin.

## Our Mission

Is to improve the standard and competency of drivers with measures designed to ensure full and thorough training is provided to all new and existing drivers by:

- Developing proposals to improve the level of driving instructing and education
- Ensuring that an optimum climate is created for favourable attitudes towards the driver training industry to the public, government key decision makers and others
- Adopting a lead role in the public debate on issues affecting the industry
- Providing a range of services to assist members in sustaining their operations.

## Our Vision

A community that values and shares the responsibility of putting into practice every aspect of road safety.

## Our Impact

Extends beyond the immediate circle of our members. We engage with policymakers, stakeholders, and the community to influence positive change in road safety legislation and practices. Through our efforts, we contribute to reducing road accidents and building a culture of responsible driving across the nation.
