THE ALL IN ONE
BUSINESS PLATFORM

We Know Driving Schools

14 Years ago BookingTimes took on the task of building software for driving schools, and we've been adding features ever since. We help schools globally get started and grow, improve their efficiency, make better business decisions, and most importantly.... **make more money.**

How to Get Started

1. Pick a Website Design or Go Custom
2. Tell Us About Your Business
3. Upload Your Data (If you need to)
4. Publish Your New Site

Online Bookings
Sell lessons 24/7 stress free, and we'll send you a daily run sheet.

Lesson Reminders
Stop losing money to "Sorry Mate I forgot about the lesson."
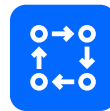

Location Filtering
Let your clients pick a suburb, and an instructor who actually works there.

Progress Tracking
Keep track of the wisdom you've bestowed on your little learners.

Payments, Packages, Gift Cards
Sell your services solo or in bundles, and let your students make payments.

Secure, Fast & Reliable
Our sites are fast, up 99.99% of the time, optimised, and backed up.
